WOLFEBORO EYE ASSOCIATES - NOTICE OF PRIVACY PRACTICES

THIS NOTICE OF PRIVACY PRACTICES ("NOTICE") DESCRIBES HOW WE MAY USE OR DISCLOSE YOUR HEALTH INFORMATION AND HOW YOU CAN GET ACCESS TO SUCH INFORMATION. PLEASE READ IT CAREFULLY. Your "health information," for purposes of this Notice, is generally any information that identifies you and is created, received, maintained or transmitted by us in the course of providing health care items or services to you (referred to as "health information" in this Notice).

We are required by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and other applicable laws to maintain the privacy of your health information, to provide individuals with this Notice of our legal duties and privacy practices with respect to such information, and to abide by the terms of this Notice. We are also required by law to notify affected individuals following a breach of their unsecured health information.

USES AND DISCLOSURES OF INFORMATION WITHOUT YOUR AUTHORIZATION

The most common reasons why we use or disclose your health information are for treatment, payment or health care operations. Examples of how we use or disclose your health information for treatment purposes are: setting up an appointment for you; testing or examining your eyes; prescribing glasses, contact lenses, or eye medications and faxing them to be filled; showing you low vision aids; referring you to another doctor or clinic for eye care or low vision aids or services; or getting copies of your health information from another professional that you may have seen before us. Examples of how we use or disclose your health information for payment purposes are: asking you about your health or vision care plans, or other sources of payment; preparing and sending bills or claims; and collecting unpaid amounts (either ourselves or through a collection agency or attorney). "Health care operations" mean those administrative and managerial functions that we must carry out in order to run our office. Examples of how we use or disclose your health information for health care operations are: financial or billing audits; internal quality assurance; personnel decisions; participation in managed care plans; defense of legal matters; business planning; and outside storage of our records.

OTHER DISCLOSURES AND USES WE MAY MAKE WITHOUT YOUR AUTHORIZATION OR CONSENT

In some limited situations, the law allows or requires us to use or disclose your health information without your consent or authorization. Not all of these situations will apply to us; some may never come up at our office at all.

Unless you object, we will also share relevant information about your care with any of your personal representatives who are helping you with your eye care. Upon your death, we may disclose to your family members or to other persons who were involved in your care or payment for health care prior to your death (such as your personal representative) health information relevant to their involvement in your care unless doing so is inconsistent with your preferences as expressed to us prior to your death.

SPECIFIC USES AND DISCLOSURES OF INFORMATION REQUIRING YOUR AUTHORIZATION

The following are some specific uses and disclosures we may not make of your health information without your authorization:

Marketing activities. We must obtain your authorization prior to using or disclosing any of your health information for marketing purposes unless such marketing communications take the form of face-to-face communications we may make with individuals or promotional gifts of nominal value that we may provide. If such marketing involves financial payment to us from a third party your authorization must also include consent to such payment.

Sale of health information. We do not currently sell or plan to sell your health information and we must seek your authorization prior to doing so.

Psychotherapy notes. Although we do not create or maintain psychotherapy notes on our patients, we are required to notify you that we generally must obtain your authorization prior to using or disclosing any such notes.

Any authorization you provide to us regarding the use and disclosure of your health information may be revoked by you in writing at any time. After you revoke your authorization, we will no longer use or disclose your health information for the reasons described in the authorization. However, we are generally unable to retract any disclosures that we may have already made with your authorization.
